BROADWAY THEATER.

The Great American Play, "Paid in Full."

It Saved His Leg.

"All thought I'd lost my leg," writes J. A. Swenson, Watertown, Wis. "Ten years of eczema, that 10 doctors could not cure had at last laid me out. Then Buckle's Arnica Salve cured it sound and well. Infallible for Skin Eruptions, Eczema, Salt Rheum, Sores, Fever Sores, Burns, Scalds, Cuts and Piles. 25c at Lee & Osgood Co."

How can any person risk taking some untried cure, when the famous Polley's Honey and Tar costs them no more? It is a safe remedy, contains no harmful drugs, and cures the most obstinate eczema, and cures the most obstinate eczema, and cures the most obstinate eczema.

The Wagons and Kemper company will offer at the Broadway theater on Wednesday, March 31st, the sensation of the present theatrical season, "Paid in Full," by Eugene Walter, a play of temporary interest in America, which won an unending shower of golden encomiums from the press and public. It has been two years in New York and has to its credit a run of five months in Chicago.

The Wagons and Kemper company are not following the usual rule laid down by producing managers in keeping an attraction in New York until the outlying cities of the hearing its metropolitan success before it reaches their home cities. The entire New York and Chicago press stamped "Paid in Full" as a great play. Alan Dale, wrote an trenchant line in the starting of his review. He said: "Paid in Full is the greatest dramatic play of the age. The play is in four acts, and the subject matter treats of incidents in the lives of everyday folk. Mr. Walter does not dally with the drawing room, nor does he romp over the rolling prairies, a fault so common with the playwright of today, but he tells us men and women of the hour with whom we are continuing rubbing elbows. He lays bare the ambitions, the loves, cares and joys of those we meet most familiarly, and his depiction is one of the most truthful the American stage has ever had."

BREED THEATER.

"The Prussian Spy," Big Moving Picture of Diplomatic High Life.

Last night's bill at the Breed theater was fully up to the standard and the ever increasing attendance is a gratifying proof to the management. That wonderful film "Inimicinity" evidence, although shown before in town, still will bear repetition, and the frequent applause that greeted it last evening was a testimonial to that fact. It is a story of wonderful detective work, and the magnificent work of the well known French pantomimist makes the picture nearly as comprehensible as a well acted drama.

"High Divers" is a risonomer, for this picture, while it introduces some excellent high diving, deals mostly with the love affairs of a young couple on the coast of France at Jacksonville, Fla., and shows these interesting birds in their daily life, also at plucking them, and doing some clever ricing. All this in the beautiful dramatic passages that are rendered in "Your Picture Goes Home" and "Your Picture Goes Home."

Reports from all quarters indicate that the year 1909 has been an unusually prosperous one for Manichurian farmers. Especially is this true as regards the farmers of the province of Shantung, where the crop yield is stated to be 20 per cent greater than the average annual yield. The range of prices for all farm products is also somewhat above the average.

As Helpless as a Child. Rheumatism the Cause.

Find Almost Immediate Relief in Urice-O, the Remedy Recommended Alone for This One Disease.

T. B. Singleton, 219 North Elizabeth street, Lima, Ohio, advises all who suffer with Rheumatism, no matter what form, to commence at once a Urice-O treatment, and find in it a harmless, speedy cure. He writes as follows:

"After being stricken down with Rheumatism for four years, in which time I spent over \$400.00 with doctors and treatments at Sanitariums, I have found right here in my own town a remedy of wonderful merit. Through the recommendation of Dr. J. V. Vortman, I have used two bottles of Urice-O, and can truthfully say that it has done me more good than all the other medicines, balms and doctors combined."

I was at times as helpless as a child and could not even dress myself. Since taking Urice-O I feel as active in my limbs as ever, I am again an able bodied man.

Anyone suffering with this terrible disease should at once procure a bottle of this remedy.

Urice-O is sold by N. D. Seyn & Sons, Norwich, H. L. Putnam, New York, DeWitt's, Williams, and J. W. Tucker, New York, at 75c and \$1.00 a bottle. You can obtain a liberal sample by writing to Urice-O, Drug Co., 254 Smith Bldg., Syracuse, N. Y.

The movement in the direction of comprehensive irrigation enterprises in the northeastern states of Brazil, where there is great suffering for want of water and where immense tracts of good land are at present practically worthless for a lack of it, is gathering considerable force and it is understood that the next Brazilian congress will be asked to take up the subject in a practical way.

Lumber Horses

Just received from the White Mountains forty horses that will cost from \$75.00 to \$125.00 apiece. These horses are all acclimated. They have been working hard all winter in the White Mountains in the logging camps. They are not fat horses but most of them are young and cost last fall from \$200.00 to \$300.00 apiece.

Now if you want bargains on horses that will do you lots of good, come to my stable Saturday morning and I will try to do something for you in the line of horses.

I have also on hand 50 head of the choicest Ohio and Iowa Horses that will be placed on sale. 48 of them arrived today, as fit as a fiddle, and I'm proud of them. There's a lot of satisfaction in knowing that you've got something better than anyone else can show. You don't have to point out the fact to the buyers: THEY CAN SEE IT. I shall sell these horses for less money than I was able to get last week. I'm obliged to. They are typical Blumenthal Horses.
